Transportation Services

MariElders offers two FREE transportation programs to members:

Van Shuttle:

MariElders' full-time driver will pick up and drop off anywhere in our service area of Mariemont, Fairfax, Terrace Park, Plainville and Madison Place. The van runs Monday through Friday, 9am to 4pm. Our driver takes members to doctors, pharmacies, grocery, banks, salons, and other businesses within our service area.

Please call *at least one day ahead* to ensure the shuttle is available for your transportation needs.

Medical Transportation:

MariElders provides volunteer drivers to and from medical appointments outside our service area. Our volunteers take members to any medical appointment, then wait while the member is in the appointment, and drive the member safely home.

Please call *at least one week ahead* to ensure a volunteer is available for your transportation needs.

Please call ahead to schedule: 513-271-5588
